Our Host

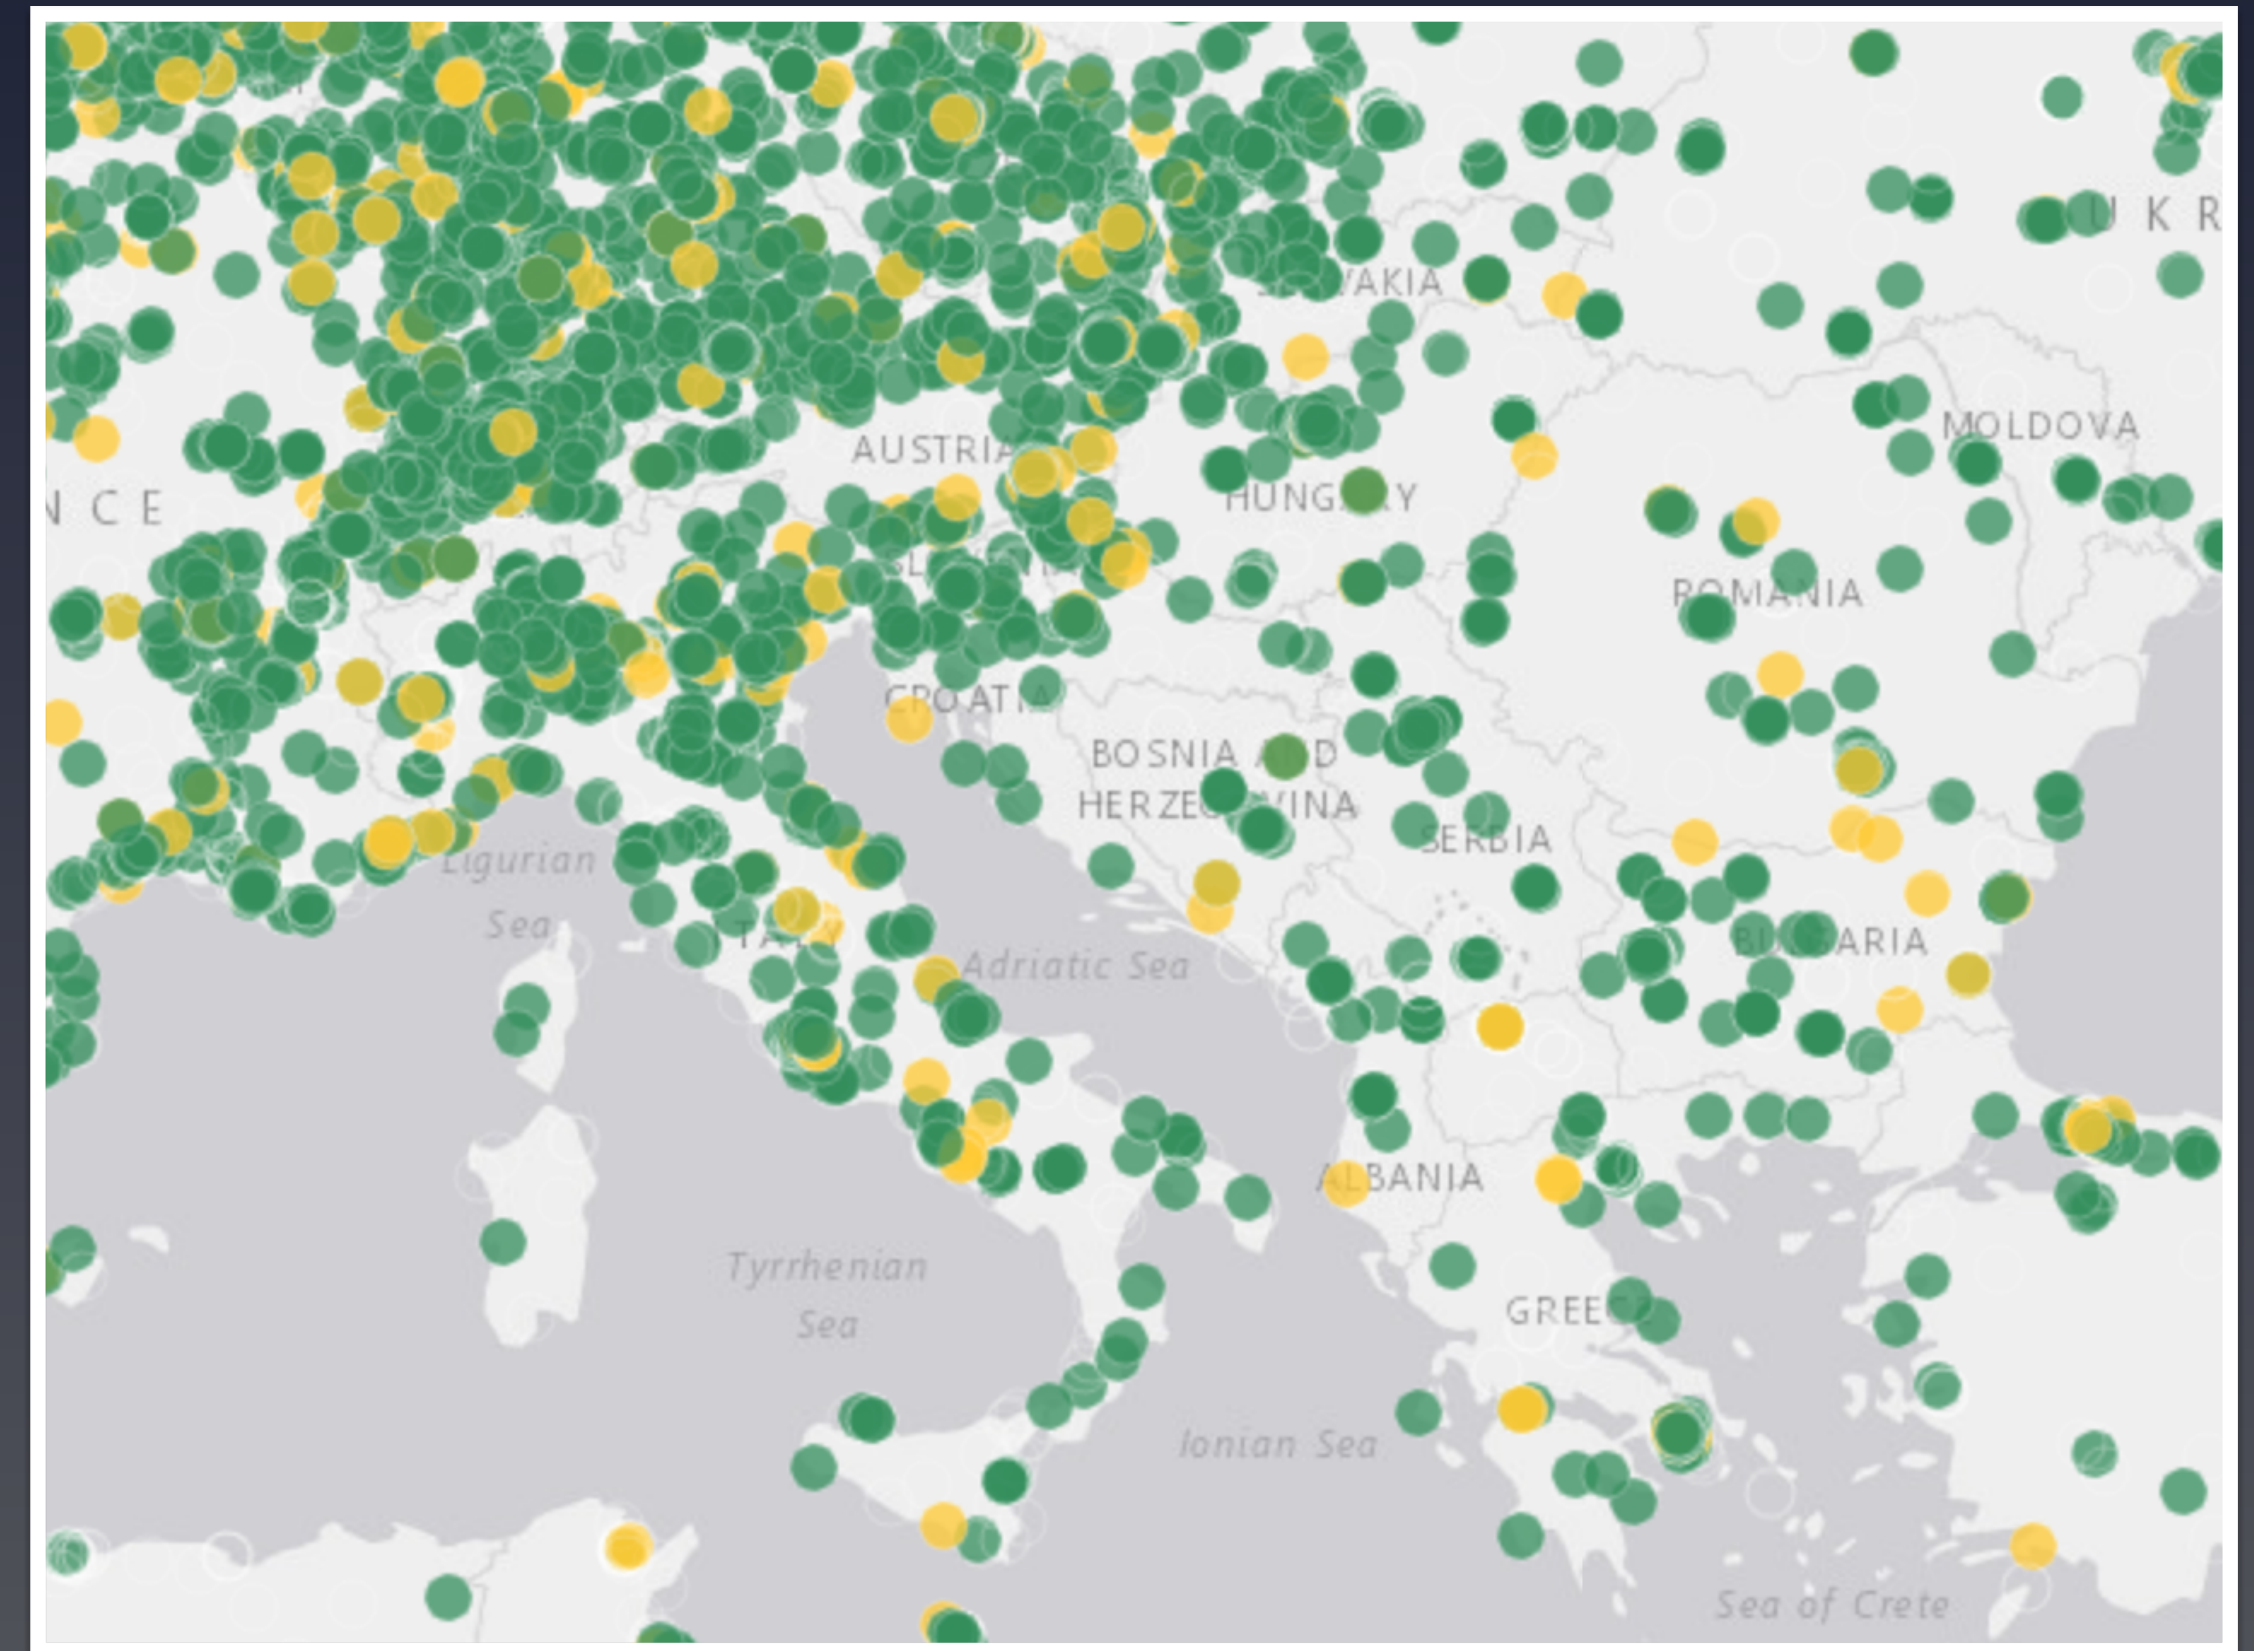

CARNET

Host a RIPE Atlas Probe

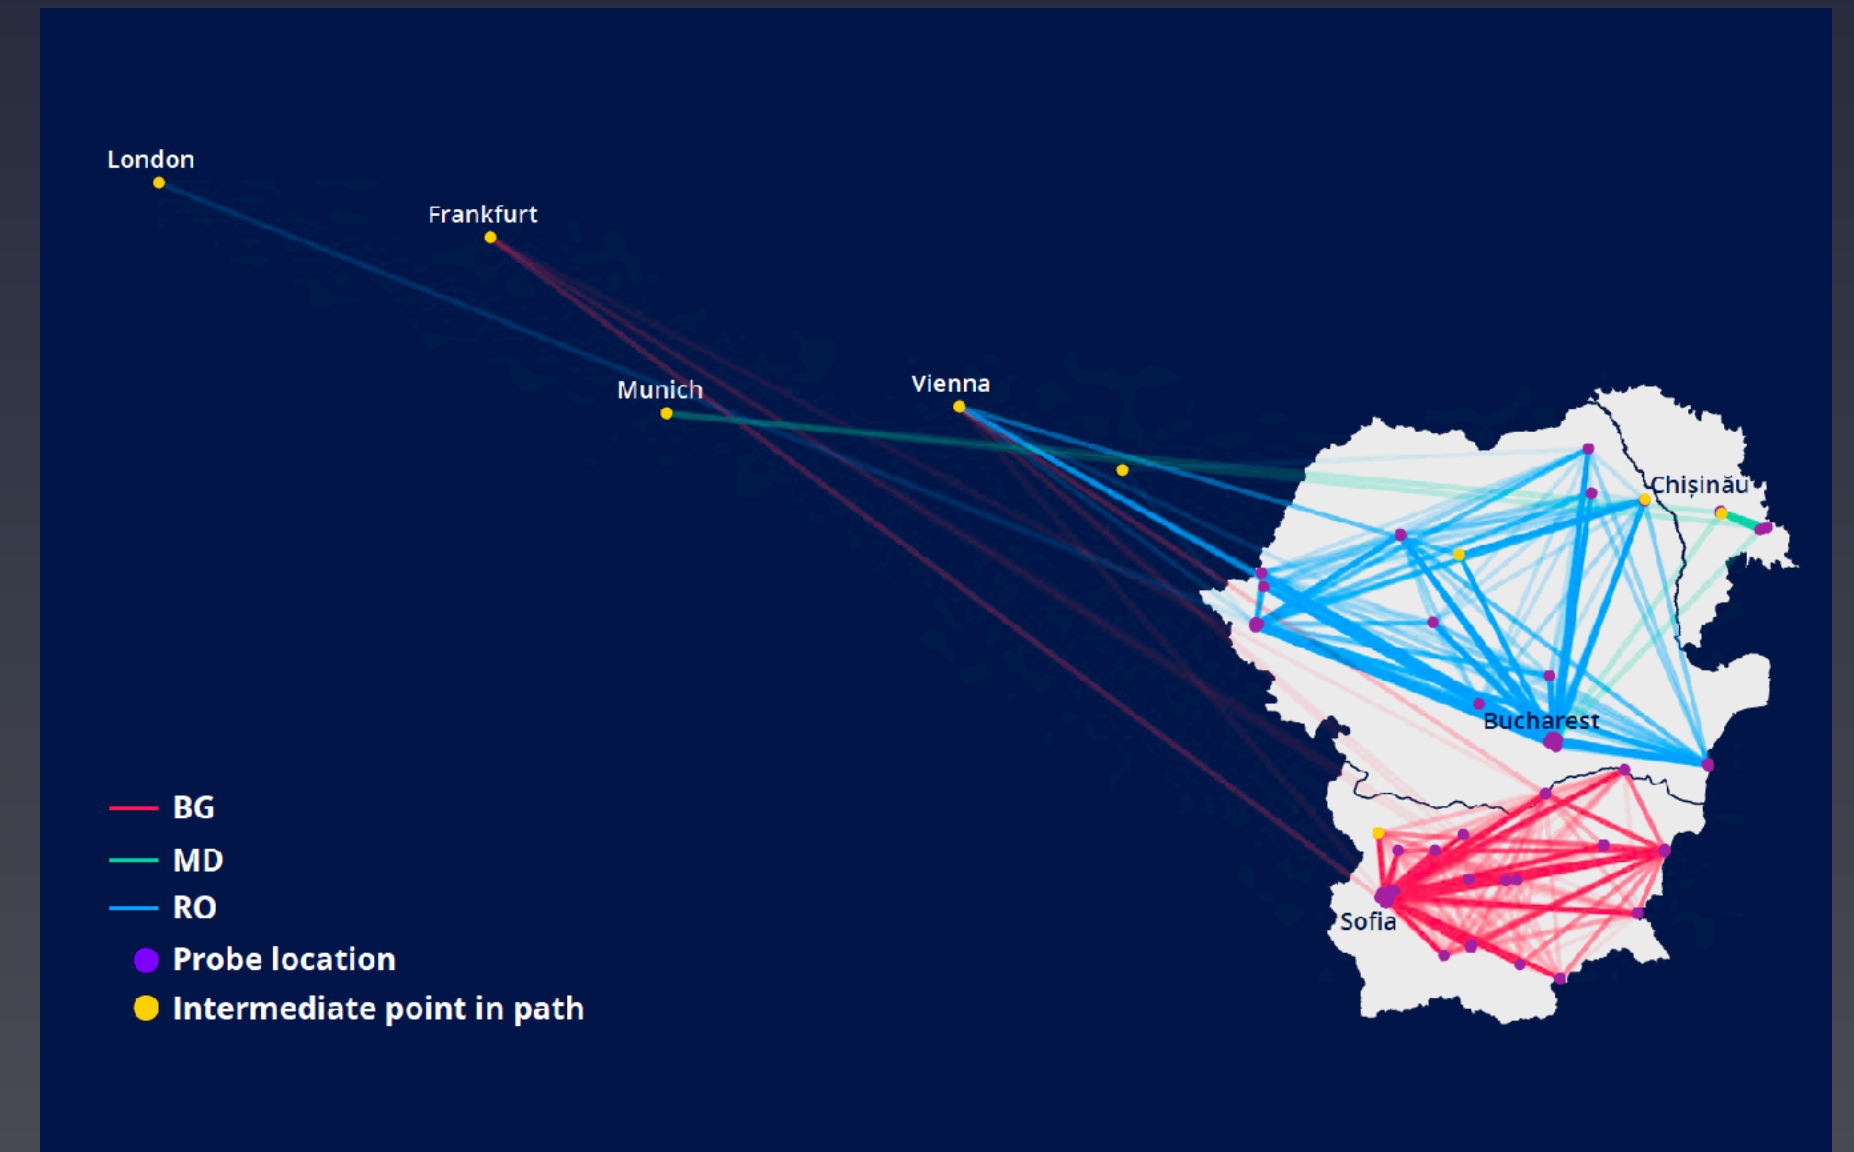

- Help us to create the world's largest Internet measurement network!
- Become a host:
 - <https://atlas.ripe.net/get-involved/become-a-host/>

Internet Country Report

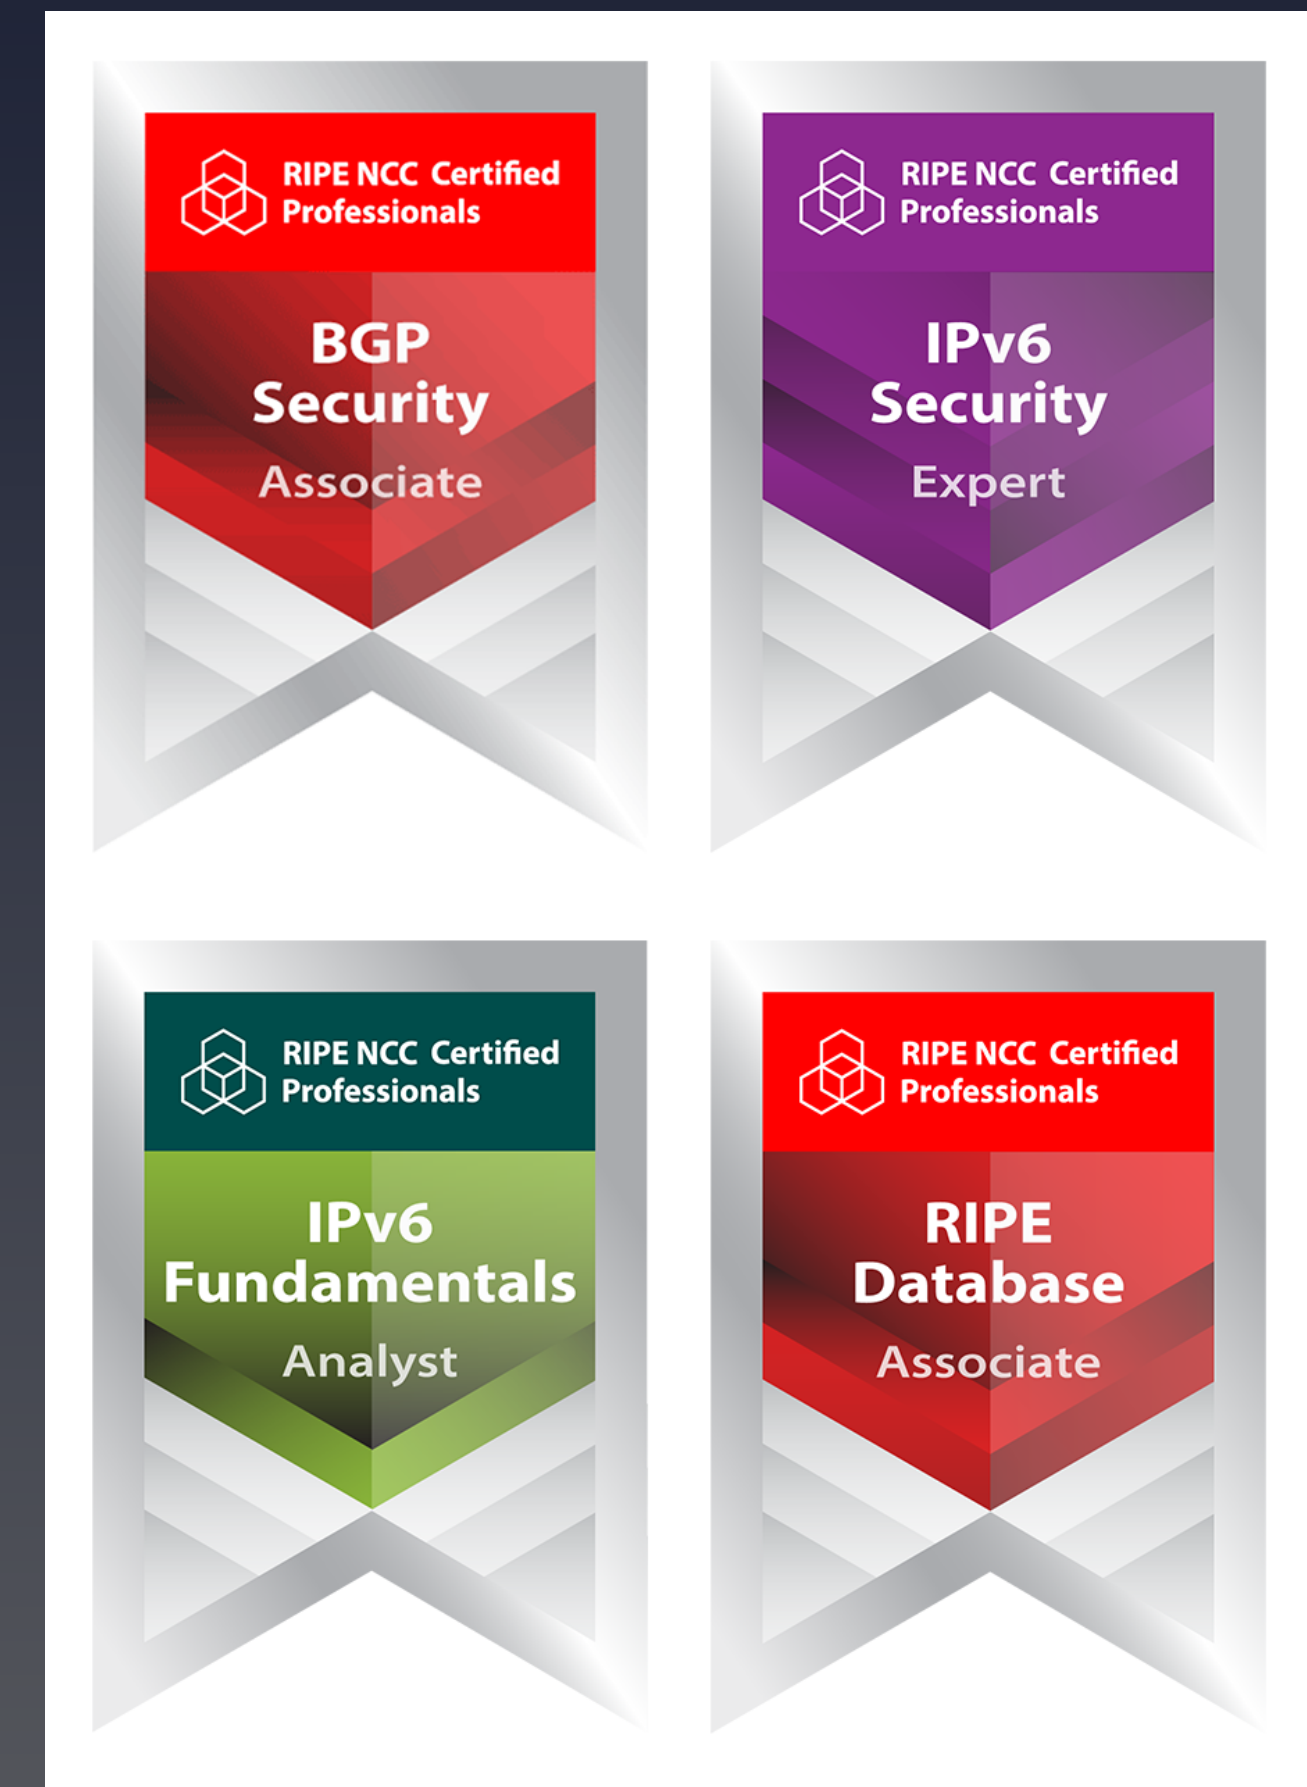

- New Report:
 - Bulgaria, Moldova and Romania
- Analyse the Internet landscape in each region
 - Market landscape, competition, potential for growth
 - Address space, transfers, IPv6 deployment
 - Routing, traffic exchange and routing security
 - Domestic and international connectivity
 - Access to the DNS

Learning and Certification

- Face-to-face courses are back!
 - Also check our e-learning courses and webinars
- New exam and e-learning course: BGP Security
- You can take a RIPE NCC Certified professionals exam at SEE 11
 - <https://getcertified.ripe.net/>

What Are Your Learning Needs?

Which **topics** would you like to receive more training on?

Talk to our colleagues from the L&D team, Evelien and Pedro, and share your insights.

Evelien Schilder

Pedro Vaz

RIS

- RIS is our routing data collection platform
- Use RIS to get insights into the Internet routing system through the tools that make use of RIS data
- For example: RIPEstat, BGPalerter and Internet Health Report all use RIS data

RIPE Labs

- Sharing ideas and perspectives from RIPE NCC staff and the wider community
 - Learn more at: <https://labs.ripe.net/contributing-to-ripe-labs/>
- Listen to the **RIPE Labs Podcast**:
 - <https://labs.ripe.net/search/tag/podcast/>

Community Projects Fund

- The RIPE NCC has a fund of €250,000 per year to support projects for the ‘Good of the Internet’
- The call for applications is now open. Deadline: **31 May 2023 | 23:59 UTC**
 - <https://www.ripe.net/support/cpf>

RIPE NCC Forum

- Our new platform for engaging with members
- A place for informal discussions, building connections, quick questions and technical support
- Open to all, accessible without an account

<https://forum.ripe.net/>
