

IPv6 Course Exercise: Making Assignments Phase 1

```

% IPv6 End User Site Assignment Request Form

% Why does the End User site need more than a /48?
reason:

#[OVERVIEW OF ORGANISATION TEMPLATE]#
% Who will use the requested address space?
organisation-name:

#[USER TEMPLATE]#
%
% Who is the contact person for this organisation?
name:
e-mail:
nic-hdl: RM1204-RIPE

#[IPv6 ASSIGNMENT USAGE PLAN]#
% When will the End User use this IPv6 assignment?
%
%      Subnet      Within      Within      Within
%      size (/nn)  3 months  1 year     2 years    Purpose
subnet:

send request to RIPE NCC: Y/N
  
```
