

A wide-angle photograph of the Colosseum in Rome, Italy, taken during the golden hour of sunset. The sun is low on the left side of the frame, creating a strong lens flare and casting a warm, orange glow over the entire scene. The Colosseum's iconic tiered arches are clearly visible, with the right side of the structure appearing more illuminated than the left. In the foreground, there is a paved plaza with some low-lying vegetation and a metal railing. A semi-transparent orange rectangular box is centered over the middle of the image, containing white text.
