CAPIF 4 Social Media Kit

Thank you for your support! Here's a quick guide to help you make the most of this kit:

1. Pick the text you prefer. We've prepared a few sample posts for your social media accounts. Choose the one that fits best. Feel free to make any edits.
2. If you'd like, tag people and organisations you'd like to see at CAPIF 4 to help boost your post's visibility.
3. Add an image from our image bank. Feel free to use any of the suggested images:
- Go to the link: https://www.canva.com/design/DAGvSvaAGPY/uumbJcLMxty1LOzycTbJqw/view?utm_content=DAGvSvaAGPY&utm_campaign=designshare&utm_medium=link&utm_source=publishsharelink&mode=preview
- If you don't have a Canva account yet, sign up (it's free) or log in to your existing account.
- Click **Uploads** in the left menu to upload your photo.
- Select **Upload File** and choose a photo from your computer or phone.
- **Replace** the text with your own details.
- Click Share → Download.
- Choose the format (e.g., PNG or PDF) and click Download.
- Now, attach the image to your post and share it on social media!

About CAPIF 4

The fourth Central Asia Peering and Interconnection Forum (CAPIF 4) is a major regional event for network operators, ISPs, IXPs, regulators, and technical professionals. Participation is free.

Dates: 25–26 September 2025
Venue: Swissôtel Wellness Resort Alatau, Almaty

CAPIF 4 is organised with the support of the Internet Association of Kazakhstan and the Association of Telecom Operators of Kazakhstan.

Programme Highlights:

- Peering workshop
- Connectivity trends in Kazakhstan, Kyrgyzstan, Tajikistan, and Uzbekistan
- Internet security tools and best practices
- IXP development
- Iran's Internet landscape and DNS resilience

Prior to the forum, RIPE NCC will host training courses on IPv6 and network security (22–24 September 2025). Participants can also sit exams for RIPE NCC Certified Professionals during the event.

About RIPE NCC

RIPE NCC is the Regional Internet Registry (RIR) for Europe, the Middle East, and Central Asia that allocates and registers Internet resources. As a not-for-profit, we support the RIPE community and the development of the Internet at large.

#CAPIF4 #peering

Post 2

Don't miss out on the key event for Central Asia's Internet community, CAPIF 4. CAPIF 4 is organised by the regional Internet registry, RIPE NCC. Meet global experts, learn about new technologies, and discuss trends in peering and infrastructure.

📆 25–26 September, Almaty
📧 Space is limited – register now:
https://www.ripe.net/meetings/regional-meetings/capif/capif-4/
#CAPIF4 #peering

Post 3

🌍 Why is CAPIF 4 essential for Internet professionals in Central Asia?
As the region embraces digital transformation, better local interconnection through effective peering can reduce reliance on expensive international routes, making Internet faster, cheaper, and more accessible.
Join the conversation with industry leaders and explore global best practices.
