Step Back in Time

- 1st RIPE NCC Regional Meeting – 2004

    - Driven by RIPE NCC

    - Purpose of the meeting was to gain feedback from RIPE NCC members

    - Little Local community content

- *Evolved from a RIPE NCC meeting to an operations meeting*

This week's meeting:

- A neutral platform for open discussions – everyone is encouraged to participate

- Bring together Internet operations community and to share experiences and knowledge

  - Meeting other stakeholders

- Opportunity to meet colleagues in the industry

- Educational Tutorials
