Activity Plan and Budget 2024

Hans Petter Holen
Managing Director

Key Takeaways

- Last meeting: we want your input!
- Less income and increased costs
- Income 2023 at EUR 38M; no increased membership fees
- Budget 2024 at EUR 38M

Activity Plan & Budget 2024

- Draft published in October
- Open House discussion in November
- Presented today at the GM
- To be approved in December 2023 by the Executive Board

Executive Board Direction

- Projected income of **EUR 38M for 2024**
- The Board advised to **focus on cost saving** as much as possible rather than stopping activities at this point.
- Changes in activities must be discussed with the members in Open Houses or at the next GM, for example.
- The Board suggested aiming for a **break-even budget**, including revenue at risk:

Activity Plan and Budget 2024

Cost Savings by Division

Registry

- Focus on improving operational efficiency and sanctions compliance
- Independent external review of the RIPE Registry
- Significant savings through reductions in our ticketing and sanctions compliance licences
- Plan to continue automating our processes to handle the heavy workload

Registry Savings

Information Services

- Developing our tools and data is one of our priorities for the year
- The main change will be an upgrade to our data storage backend, where we will simplify our storage platform to reduce costs while maintaining the quality of our services
- We are also working on containerising several applications for better uptime, resilience and scalability

Information Services Savings

Community & Engagement (1)

- Sustaining the Internet Commons by continuing to lower barriers to engagement
- Lowering travel barriers and visa restrictions through regional events:
 - Will continue with RIPE meetings and regional meetings (MENOG, SEE, CAPIF)
 - Sacrificed engagements like RIPE NCC Days and hackathons due to budget cuts
- Lowering barriers through online engagement:
 - Local hubs, RIPE NCC Forum, Open Houses and webinars, new website, Labs podcast

Community & Engagement (2)

- Lowering language barriers through translations:
 - Further development of the Translation Wiki and simultaneous translations at regional events
- New e-learning courses
- Research is now in this area, which will enable us to provide more data insights to policymakers, decision-makers and the community.

Organisational Sustainability

- Security and compliance, resilience and risk management are our main goals in this pillar
 - Sanctions keeping our Legal team busy
 - Our Information Security, Risk and Compliance team are working to keep the RIPE NCC resilient to threats through risk management frameworks like the ISO 27000 series
 - We must account for financial challenges (revenue at risk, LIR consolidation, inflation)
- Finally, we are improving our corporate structure to ensure we operate as effectively as possible
