

RIPE NCC Developments

Chris Buckridge
External Relations Officer, RIPE NCC

RIPE NCC Roundtable Meeting
19 March 2013, Brussels

Overview

- RIPE NCC Goals

- Effectively serving RIPE NCC members and those with a need for Internet number resources
- Promotion and development of multi-stakeholder Internet governance
- Promotion of open and transparent Internet governance as vital to the Internet's continuing growth and stability
- Identifying strategies for effective Internet development

Working with the OECD

- RIPE NCC a founder of Internet Technical Advisory Committee (ITAC) in 2008
 - Recognising OECD as an inter-governmental org integrating multi-stakeholder methods
- Current projects
 - IPv6 study, “The Internet in Transition: The State of the Transition to IPv6”, authored by Geoff Huston (APNIC)
 - RIPE NCC and several other ITAC members funding OECD study on “International Cables, Gateways, Backhaul and IXPs”

Internet Governance Forum

- NRO MAG representatives:
 - Paul Rendek, RIPE NCC
 - Paul Wilson, APNIC
 - Raúl Echeberría, LACNIC
- NRO submission to Open Consultation
 - Renewed financial commitment (USD 100k); importance of broader contributor base
 - Continuing evolution of IGF processes to facilitate input to Internet governance and policy discussions
 - Better integration of regional dialogues

Regional Development: Middle East

- Arab IGF
 - Major supporter of first event (2012), co-host of Open Consultation / Arab MAG meeting in March 2013
 - Paul Rendek a member of the AMAG
 - Funding youth cross-participation between Arab IGF and EuroDIG
- Technical development
 - IPv6 Roadshow (first 2013 event in UAE this month)
 - Major sponsor of first Middle East Peering Forum

Regional Development: Europe and Russia

- Major supporter contributor to EuroDIG
 - Sixth annual event in June 2013, Lisbon
- RIPE NCC Regional Meetings
 - Russian Regional Meeting alongside ENOG 5, 27-28 May, St Petersburg
 - South East European Regional Meeting (SEE2), 22-23 April, Skopje, Macedonia
- CEPT Com-ITU participation

Working with Law Enforcement

- Annual LEA meeting in March, alongside Global E-Crime Congress
 - 50+ participants in 2013
- Training and consultation with
 - European Cybercrime Centre (EC3), Europol, Interpol
 - SOCA (Serious Organised Crime Agency, UK)
 - CEPOL (European Police College)
 - Interpol (Middle East regional meeting)
 - United Arab Emirates police (to start...)

DNSChanger Case Update

- Presentation at Feb 2012 Roundtable Meeting
[\[Link to presentation\]](#)
- **Problem:** Lack of clarity regarding what types of orders the RIPE NCC must comply with, and the necessary procedures
- **2012:** RIPE NCC sought clarification by the Dutch courts on the matter
- **2013:** Dutch court dismissed the case; RIPE NCC governance document in development
